## Aurik Pharmaceuticals

Aurik Pharmaceuticals, situated in the Rawat Industrial Zone, is a leading manufacturer of high-quality medicines. Committed to excellence and customer satisfaction, we leverage cutting-edge technology and stringent quality control measures to ensure safety and efficacy in our diverse product portfolio. Our GMP qualified facility and skilled professionals uphold our dedication to excellence. With a focus on research and development, we aim to bring latest development to market and advance healthcare. Committed to environmental sustainability and ethical practices, Aurik Pharmaceuticals is dedicated to up-grade itself through continuous development and innovative technologies and incorporation to meet the challenges of industries.

## International Business

Aurik Pharmaceuticals boasts state-of-the-art machinery and a team of highly motivated, qualified, skilled, and talented professionals capable of delivering excellence in both quality and quantity. Our commitment extends to supplying high-grade, cost-effective medicines to both domestic and international markets.

Presently, we're exporting to Afghanistan & Yemen.

## Our Mission:

Aurik Pharmaceuticals is dedicated to enhancing human health with best of its capability meeting the GMP standards. Our mission includes introducing diverse products to address market needs and improve patient wellness. We prioritize quality through professionalism and ethical practices, fostering a culture of collaboration and excellence. Committed to advancing healthcare globally, we aim to make a meaningful impact on individuals and communities.

## Our Vision:

Aurik Pharmaceuticals envisions a future where required solutions empower healthier lives. Through dedicated research and manufacturing excellence, we aim to introducing quality products, improve outcomes, and positively impact communities. With integrity, quality, and patient-centricity at our core, we strive to be the preferred partner for healthcare professionals, driving positive role in pharmaceuticals.

## CEO Message

**Zia Uddin Tareen**

Chief Executive Officer  
Aurik Pharmaceuticals

Welcome to Aurik Pharmaceuticals, where our dedication to advancing healthcare and improving lives is paramount. As CEO, I lead a passionate team committed to making a difference in the industry. Since our inception, we've focused on delivering high-quality products to the market.

Understanding the importance of pharmaceuticals in enhancing quality of life, we prioritize innovation, quality, and patient-centricity. From production to distribution, we uphold excellence, ensuring every product is safe and effective till the expiry date.

Our success relies on trust from healthcare professionals, patients, and partners. We foster long-term relationships based solely on professionalism. Collaborating with stakeholders, we drive positive change in healthcare.

Looking ahead, we remain dedicated to continuous improvement. Investing in research, leveraging technology, and expanding globally, we aim to serve more patients.

With our talented team and unwavering commitment, Aurik Pharmaceuticals will continue serving the industry, impacting millions worldwide.

## Management Team's Message

As members of the management team at Aurik Pharmaceuticals, we are honored to be part of an organization that is dedicated to enhancing healthcare outcomes and improving lives globally.

At Aurik, our management team is comprised of experienced professionals who bring diverse expertise and a shared commitment to excellence. Together, we work collaboratively to drive the company forward, uphold our values, and achieve our strategic objectives.

Our collective vision is to be a trusted partner in healthcare, known for our unwavering dedication to quality and customer satisfaction. We understand the importance of delivering products that meet the highest standards of safety, efficacy, and reliability. That's why we prioritize rigorous quality control measures and adhere to strict regulatory compliance in all aspects of our operations.

As a management team, we are deeply invested in the success of Aurik Pharmaceuticals and the well-being of our employees, customers, and communities. We foster a culture of integrity, accountability, and continuous improvement, where every team member is empowered to contribute their best and pursue excellence in everything they do.

We recognize that our success is built on the strength of our relationships with our employees, customers, suppliers, and other stakeholders. Therefore, we are committed to fostering open communication, transparency, and mutual respect in all our interactions.

As we navigate the opportunities and challenges that lie ahead, we remain steadfast in our commitment to driving sustainable growth and delivering value for all our stakeholders. Together, we will continue to innovate, collaborate, and lead with integrity, ensuring that Aurik Pharmaceuticals remains a trusted partner in healthcare for years to come.

## Profiles of the Executives

**Yasmin Bibi**  
Acting Plant Manager

**Syed Muzamil Shah**  
Production Manager

**KHALID QAYYUM**  
Quality Control Manager

**Khoula Hashmi**  
Quality Assurance Manager

Acting Plant Manager at Aurik Pharmaceutical, with a wealth of 9 years of experience, adeptly orchestrates manufacturing operations to ensure seamless and efficient production processes.

With a keen focus on optimizing resource utilization and adhering to strict quality standards, this professional consistently delivers pharmaceutical products of exceptional quality.

Their leadership and expertise drive continuous improvement initiatives, fostering a culture of excellence and innovation in pharmaceutical manufacturing.

Production Manager at Aurik Pharmaceutical, boasting 28 years of extensive experience, adeptly oversees all aspects of product quality and compliance.

With a meticulous eye for detail and a commitment to excellence, this professional ensures that every pharmaceutical product meets rigorous standards and specifications. Their expertise and leadership contribute to the consistent delivery of safe and effective medications for the benefit of patients worldwide.

Quality control manager at Aurik Pharmaceuticals has a wealth of experience and expertise in the pharmaceutical industry, particularly in analytical chemistry.

With over 25 years of experience, combination of experience, knowledge, and skills makes them a valuable asset to Aurik Pharmaceuticals in ensuring the quality and safety of their pharmaceutical products.

Quality Assurance Manager at Aurik Pharmaceuticals, with a wealth of 7 years experience, adeptly ensures adherence to stringent regulatory standards and maintains impeccable product quality. With a proven track record of implementing robust quality management systems, this professional excels in leading teams to achieve excellence in all facets of quality assurance. Committed to continuous improvement, they play a pivotal role in quality management system.

## Manufacturing to Global Quality Standard

### Manufacturing Facilities – Pakistan

Aurik Pharmaceuticals all the necessary machinery & equipments manufacturing facility equipped with cutting-edge technology and adhering to strict regulatory standards. Our facility, located in the Rawat Industrial Zone, is designed to optimize efficiency and ensure the highest quality standards throughout the production process. From formulation development to packaging, every aspect of manufacturing is meticulously controlled and monitored by our skilled professionals. We prioritize quality, safety and environment our facility, enabling us to consistently deliver standardized products that meet the needs of healthcare professionals and the market as well.

## Quality Control
